Our Own Environment

Our ISO9001 Quality and ISO14001 Environmental Management Systems cover every aspect of our operations, from product design right through to delivery and installation, and beyond, backed by our 10-year warranty.
Our Quality and Environmental policies are available at www.workspace.com.au, or in our booklet: 'Making your workspace a greenspace'.

workspace

This height adjustable swivel chair is an asset to any office or home office setting.

Along with eye-catching styling, Jive Task offers:

- Swivel action with gas height adjustment.
- Polished and plated aluminium arms.
- Strong, welded steel frame.
- Contoured, moulded seat and back for excellent support.
- A stable high-arch, 5 star base with 60mm castors

All Jive Task chairs have a padded, upholstered seat, and can also be specified with the matching upholstered back.

The traditional cantilever chair is transformed into very smart seating for your visitors.

Perfect for office or meeting room, its unique back support combines strength with style .

And it's stackable!

This optional fold-away writing tablet is RH mounted, so stackable Jive is ideal for any training room or lecture theatre.

Jive has many roles to play in the modern office.

As a stackable chair it is the natural choice for multiple seating applications.

Jive 4 leg and cantilever styles can both be ordered with the smart, easy-care black moulded PP seat and back combination.

Or for more colour, and a softer sitting experience we can upholster Jive in any fabric you choose from a huge range.
