

Seaton

Seaton chairs are proven performers for meetings, training rooms or breakout areas.

The light, strong steel tube frame stacks easily, with or without arms. The sled base version is non-stackable, but is shown here to complete the Seaton range.

Options:
Black frame
Chrome frame
With or without arms.

Quadra

All stylish Quadra chairs are made from sustainable beech laminations, with a steel tube frame rigidly fixed for strength and durability.

Finishes include:

White 2 pack paint
Lacquered beech finish
Lacquered wenge stain

The upholstered versions:

Fully upholstered
Upholstered front

Quadra warranty is 3 years

Skye

The Skye chair frame is 12mm solid steel rod, for excellent strength with visual lightness - the sled style is ideal for carpeted floors.

The ply seat and back are shaped to promote long term comfort.

Options:
Black finish
Chrome finish

Geneva

Geneva has a light, strong, all welded frame of oval steel tube.

Comfortable moulded seat and back shape.

The standard powder coat colour is Precious Silver Pearl.

Fairlight

This frame is fabricated from heavy wall, large diameter steel tube, with legs being splayed for extra stability.

Options:
Black frame
Chrome frame

Fairlight arms are not removable.

workspace

stackable

- These stackable chairs are designed to conform to Australian Standard AS/NZS 4688:2000 Fixed Height Chairs.
- We offer a wide range of fabrics from which to make your personal choice, including certified sustainable fabrics.
- Different colours and finishes from those shown may be specified, at extra cost.

Workspace manufactures its product entirely within its Quality and Environmental Management Systems, certified to ISO9001 and ISO14001, - our quality and environmental policies are available on our website, or in our booklet "Making your workspace a greenspace".
