Asterisk

The Asterisk range is proudly Australian designed and manufactured, and optimises a simple attractive aesthetic, combined with practicality and comfort. Asterisk range comes in a variety of frame sizes and can be customised with your choice of top. The family consists of a bar table, bar stool, low stool and a variety of occasional and coffee tables, all of which can be grouped to create a fun and vibrant space. The versatility of the Asterisk range provides an unlimited number of options to suit an assortment of environments.

Asterisk (standard range) is offered with either chrome or black powder coated base, and tops in pre-finished board or veneer. Seats are available in pre-finished board or can be upholstered in your choice of fabrics, leather or vinyl. Customise Asterisk to suit any style and requirement!
