Break Occasional Table

Australian designed and manufactured by Workspace, Break is the perfect solution for your workplace break out needs. The subtle design elements such as the black brackets, the square and round leg profiles and the gentle taper offer numerous permutations in a timeless package.

Pair the American White Ash solid timber legs and black powder coated brackets with 25mm pre-finished board or veneer top with matching edging. Alternatively, look to customise the finishes for your own look and feel.

Break, exclusive to Workspace, is the flexible range to compliment your space.
