# Jak

Jak is Workspace Commercial Furniture's luxurious and long-lasting leather seating that is ideal for all commercial environments. From reception and visitor areas to executive offices, Jak offers supportive comfort and style, with a classic look that will enhance a space. Supported by a 10 year warranty and Workspace's commitment to Australian manufacturing.

Available in standard seating formats, Jak can also be supplied with customised upholstery in many other leather colours or in any fabric you care to choose from our range. Refined and classic, Jak is the timeless seating solution.
