Workspace offers a range of highly functional and compact mobile storage units that offer versatile and stylish storage options for your work environment. Simple design coupled with quality hardware make the Alpine, Move, Mawson and Metro mobiles durable and unconstructive.

Designed and manufactured in Australia by Workspace Commercial Furniture, these three mobiles boast short lead times and numerous customisable options to ensure the perfect fit for your project and space.

Made from environmentally conscious materials, Workspace mobiles generate a minimal eco-footprint in production and can be easily disassembled for recycling and re-purposing of components.
