# OSCAR

The Oscar Chair is a stunning example of beautiful design meeting quality craftsmanship to make a product with timeless style and integrity. The newest addition to the Workspace Commercial furniture hospitality focused range of products, the Oscar chair is the perfect fit for restaurants, hotels, bars and cafés. It provides a warmth in its visible wood grain textures and leather or fabric upholstery and delivers comfort through its delicate curves and contours.

Featuring a solid American White Ash frame (with the option of a natural finish or stained to suit) accompanied by custom upholstery and Dunlops world class foam padding the Oscar chair will not only withstand the rigours of hospitality environments - it will make a design statement while it does it!
