# Pod Stool

## (Gas Lift Stool)

The Pod Stool is our answer to a common need. A stylish yet minimal stool which can be toned down to blend into its environment, or made to stand out with custom upholstery.

Available with a spoke style base or a 5-star base, the Pod Stool offers excellent versatility. The gas lift allows the seat to be raised or lowered to meet individual users needs. Further, the stools are also available with an optional foot ring, with or without castors, and a taller drafting version.

Minimal and practical, the Pod Stool is a versatile addition to any commercial or retail project.

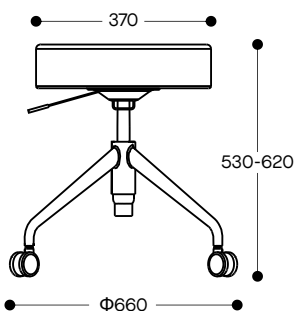

### Options and Features:

- Spoke base in matt black as standard
- 5-star base in polished aluminium as standard
- Optional height adjustable foot ring
- Castors or glides (glides with 5-star base only)
- Height adjustable seat
- 360 degree rotation

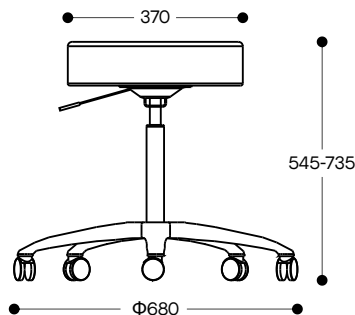

### Warranty:

10 years
